F.Y.I.

Theater Terms: **Lavalier Microphone** A small microphone that can be clipped or attached to a performer's clothing. Sometimes called a pin microphone - particularly the very small models now available that are virtually invisible to the audience when hidden, for instance, in the performer's hair.

DIRECTOR'S NOTES:

"Driving Miss Daisy" has been a unique pleasure to direct. The extremely talented cast has been a delight to work with.

Betty Bell has brought a charming feistiness to the role of Daisy Werthan. Betty has been in numerous shows at Stone's Throw Theatre, her latest role was Opal in "Opal's Husband".

Kevin Provins portrays Boolie right on the money. Boolie is an easy going man with his hands full with his head strong mother. Kevin was last seen as Will in "Bus Stop".

Paxton Williams brings to life the humble chauffer, Hoke. You may remember Paxton as Tom Robinson in "To Kill a Mocking Bird". Paxton has also portrayed George Washington Carver more than 60 times in the United States and England, and recently appeared in Chautauquas across Maryland, Missouri and Texas.

Thank you for taking the time to see our show. I think you will enjoy it. I know I enjoyed directing it for you.
